THE CHAIRPERSON

MARIANNE DAMMER

WE ARE PLEASED TO WELCOME UNI OF NOTTINGHAM,
THE MATCH OFFICIALS, AND ANY SUPPORTERS TO BELPER
MEADOWS SPORTS CLUB.

A very warm welcome to everyone coming to play, officiate and support at Belper Meadows this weekend. It's great to finally be back to 'normal' after the challenging year and a half we have all had.

I hope you've been able to relax and enjoy the summer break including watching some fabulous sporting achievements. I especially would like to highlight the amazing results at the Tokyo Olympics with our ladies GB Hockey Team securing a bronze medal. An extra special mention goes out to

our home-grown talent: Holly Pearne-Webb, Anna Toman, Leah Wilkinson and Sabbie Heesh: Congratulations and well done!

We are also extremely pleased to welcome you back into your clubhouse including the use of all our lovely facilities: #the-bar-is-open! The weather is due to be sunny this weekend, so a great opportunity to have a drink on the balcony overlooking the pitch and enjoy the match. However, still please respect the Covid-19 situation. If you feel unwell or have symptoms: stay at home. Also please respect everyone's attitude and sensitivities towards the situation.

We are very grateful to all our sponsors, supporters and volunteers who help us to play in National League, especially after these difficult times for sport and the whole community. We especially thank today's Match sponsors **Project D**. There is an opportunity to become a match sponsor or ball sponsor for each of our matches with of course a mention in this programme. If you are interested in sponsoring opportunities, please email ruth@themilldesign.co.uk.

Wishing you all a great start to the season and keep safe!

CRAIG KEEGAN

KEEP THE FUN IN YOUR GAME!

I believe the best aspect of sport is when we are having fun. This will see us through a long winter of ups and downs, the good and the bad, because enjoyment is key for us all to manage the pressure of a long league season.

And the fun shouldn't stop at the end of training or when your match finishes, the games you play at home in the garden or the hallway, or bedroom (sorry Mum) are key. Having a ball at the end of your stick, experimenting and trying new things, will continue to develop your basic FUNdamental skills.

With the season finally here, I'm going to

try and not talk about Covid-19. Instead, I feel the resilience that we have all had to develop over the past year or two is going to be fully tested this season – especially if we want to be ready for the critical moments that pop up in every game. With pre-season over, it's time to be committed and build on key relationships. There is no more time for excuses and, of course, no time to waste. I think our players are ready for the season to start, the coaching staff are certainly ready to measure our work against the tough challenges that lie ahead.

I was reading something that coach Nick Saban quoted. Nick Saban is one of the most successful American football coaches in the NCAA.

“

ERNIE JOHNSON (HOST OF INSIDE THE NBA) MADE AN INTERESTING POINT WHEN HE TALKED ABOUT A TEAM. SHOULD TEAMS SAY, 'I'VE GOT TO DO THIS,' OR DO YOU SAY, 'I GET TO DO THIS?' WE GET TO PLAY; WE GET TO CHALLENGE THIS SEASON; WE GET THE OPPORTUNITY TO PLAY SOME GREAT TEAMS; WE GET TO DO ALL THESE THINGS. THAT IS HOW I WANT EVERYBODY TO LOOK AT IT, SO WE HAVE SOME POSITIVE ENERGY AND ENTHUSIASM TO GET AFTER IT.

”

I love this approach; “we get to do this” ... it sounds fun. This season will offer many opportunities, and we will be doing our best to make the most of them. We get to do this, players get to play our fantastic game. Their ability to seize opportunities lies in what they are doing and how they are thinking right now. All the pre-season training, the conversations, whiteboard sessions, the coaches' comments and feedback, pre-season match play, and in particular, those fun games we all play in our garden, they all matter... Please pay attention. Everything counts...

Introducing L to R... Assistant Coach / Team Manager Claire Vaughan; Assistant Coach Sally Goodman

A new season, and a new squad of players, and a new coaching group. We are a young and enthusiastic squad, with great passion and a positive outlook. I am very excited to see what this new group can achieve this season. We will face good times and bad times, but I fully believe in this team, and these coaches, and look forward to the challenges season 2021-22 will throw at us...

Remember, Keep the fun in your game... and good luck to all teams

Always a tough away game, Belper knew that Stourport would be a strong, fit and well organised side and tough they were, scoring in the first 2 mins of the game. Belper were on the back foot, but managed to rally and put together some good phases of play, enjoying quality possession and creating chances. Stourport were ruthless, jumping on any loose balls and quickly added to their goal tally to make it 2-0 at quarter time. Belper stayed positive and fantastic defending by Rosy Stephens from a penalty corner saw her Knick the ball from the Stouport trapper and run the length of the pitch with the ball before passing to Issy Astoin who's reverse stick pass across the goal found Scarlott Doxey for a neat tap in. Belper looked to keep this momentum but a Stourport onslaught in the 2nd and 3rd quarters saw them add 4 more goals to their tally. Belper fought to the very end and played some excellent hockey in the 4th quarter, preventing Stourport from having any further chances in the final quarter.

Belper L2s stepped out to play their first home league game against Belper L3s on a rainy day at the meadows. The first half was quite slow with the L2s having various missed opportunities in the form of several penalty corners and a penalty stroke. Eventually the first goal came from Dammer to put the L2s 1-0 ahead. 2 mins before half time both teams were shocked to witness a facial injury to the poor Alex Wilbraham which shook up both teams

for the remainder of the game. Half time came and both teams re-grouped as best they could and the second half got underway. The L2s secured two more goals from Sally Goodman and Hannah Goold, whilst several other penalty corner attempts were seen clear by L3s GK Lauren Curle and her defence. The L3s had a penalty corner towards the end of the second half, which was dealt with calmly by the L2s defence. A fantastic clearance off the L3s goal line from Lou Hobbs in the last few minutes saw the final score 3-0 to the L2s.

BELPER HC L4 ILKESTON

A closely matched game with Belper tipping the majority of play in their favour but with some tired legs at the end of each half due to committed playing from all.

Millie hit the post within ten minutes of play time with Tanya having a close attempt a few minutes later. Ellie then set up the ball brilliantly, passing to Millie who scored a cracker! 1-0.

Two short corners followed for Ilkeston. Both saved brilliantly by Emily, Emma, Suzy and Eve at the back provided a constant defensive wall that Ilkeston found hard to breach. A clearance from Emma sent us back to goal with a short corner awarded. This was inputted strongly by Ellie and a near miss from Tia.

A 1 on 1 between our keeper and an Ilkeston player, saw an amazing save from Emily with the Ilkeston player throwing her stick down in frustration.

Second half saw a near goal from Ilkeston in the first minute and then a shot at the other end from Ellie saw the keeper get a glove to the ball. Good pressure from Amelie and Alex ensured a miss hit from Ilkeston. Good vocal assistance came from Helen on the side lines. Ellie then provided an assist for Millie to score AGAIN. 2-0.

Kat continued to send the ball into the D with clearances from Ilkeston preventing any further goals. Jolene and Tanya in midfield sent the ball wide to ensure full pitch coverage. End to end play then finished with a goal from Ilkeston-a tricky one to save.

A 2-1 win with the team playing and communicating well with each other.

MATLOCK L3 BELPER HC L5

The Ladies 5s had a strong start to the 21/22 season against Matlock 3s with a 2-0 win. An attacking short corner resulted in an unstoppable strike by Ruth L into the left hand corner of Matlock's goal. Though Matlock created chances, the Belper defence held their own and had a bit of luck with a Matlock strike hitting the goal post to then be cleared out from danger. Newcomer Rosie B proved that she will be a great asset in the coming season with some skilled attacking work from the halfway line into the D to score Belper's second goal of the day. Credit to all the team for a fantastic result.

A satisfying second win by a diverse blend of the old and the new! Thank you to everyone for playing their part in a damp gratifying win at Shobnall.

We nailed it, a 3 -1 win. M of the M: Nancy Turner for strong and committed performance and scoring the first great goal!

Muppet of the Day Joan (me) for chiding a short cut route to Shobnall and adding to the confusion a 2 tractors negotiating passing on a narrow Lane....and yes, I was late for the meet - bad captain!

Firstly, thank you to our umpire Nigel H. without whom we couldn't have played.

Great performances throughout the squad - strong saves from Meghan, great tackling and distribution by Judy, Tallulah, Charlotte and debutant Dianne.

Our midfield heartbeat Lizzie, Nancy and Carol -our second debutant.

Savannah, Hollie and Paige led from the front, with their pace and willing running.

Goals: Nancy opened the scoring with a cracker. Lizzie deftly beat the GK and finally Paige's mazy run produced a great individual goal!

And me I flitted on and off the pitch giving everyone a breather!

BELPER MINI HOCKEY

Our Mini Hockey group at Belper currently has around 150 participants who may be small in stature but have bundles of enthusiasm. We introduce children aged 5 to 12 to hockey in a safe and fun way with sessions involving a mix of skills and small-sided games designed to encourage these young players to learn the basics of hockey.

Players are welcome from complete beginners to those who have been playing for a few years. We play fixtures against other local clubs and independent schools and participate in the In2H U10 and U12 competitions each year. We regularly reach the Regional Stage across our age-groups and were delighted to reach the National Finals with our U12 girls in 2019.

We are fortunate to be supported by a talented group of coaches and young helpers from our adult teams which enables us to offer varied coaching in small groups. We're also very lucky to have had a few visits from Hollie Pearne-Webb in recent years.

Whisky & craft spirits in the Peak District

Established in 2016, White Peak Distillery is the first full-scale, craft distillery in the Peak District region.

A visit to the distillery is underscored by the passion the team has for authentic craft spirits and their unique destination for whisky, gin and other spirits. You'll have the opportunity to experience the atmosphere, heat and smells of our working distillery. We'll take you behind the scenes in our still house and in our cask storage areas. Then it's back to the tasting room to sample our range of Shining Cliff gins.
